Sacred Conversation

Sacred Conversation: Being in company with a person or an assembly of persons who listen to, talk about, and assimilate the Truth. This highest company also takes the form of silence, hearing or reading the words of highest awareness, reflecting on, discussing and assimilating their meaning, meditating on the source of these words, and bringing this awareness into one's daily life.

~~~~~

A rare opportunity to spend an intimate evening as an invited guest with a teacher who brings together the nondual and theistic approaches to spirituality.
